Boxing Club News

On a recent trip to Rimby for a boxing match March 30th, the P.B.C. were taken down by Gordon Cross, Don Becker Al. McKelvie and Harvey Baughman. The Club's participating were from Ruston, Hobbs, Lacombe, Rimby and six of our local boys. All our boys except Arno Webber were matched and all were winners.

Ervin Combs 65 lbs. won first fight by a unanimous decision. Ervin was not rattled by the bout, so was matched for his second fight, after a check by the doctor went back in after 1 1/2 hours and T.K.O. was his second bout and still came out of the ring with a smile on his face. Ervin won the most sportsman boxer of the night.

Prize which was a beautiful set with a Rimby boy of which winner, Garry Marz was matched with a Rimby boy of which winner, Mervin Combs, who fought a Rimby boy at well, came out on top. Mervin's opponent won the best home town boxer award.

We have several new boys in the Drayton Valley Club now. One being Al Pank. He had one being Al Pank. He had

his first fight with a tough boy from Hady who has fought in the services. Al weighed in at 170 pounds, at about 55 seconds of the first round he was going to be a boy to keep an eye on, in the future as he is coming a long fine.

Orvin Combs our up and coming KO artist done it again. He was matched with Ronnie Kain from Hady. Ronnie was a up and coming Golden boy last year. Orvin boxed very cool hitting his opponent through all the knacker. Then Orvin came out of a crutch with a short book which dropped the opposition for which she was trained in the Old Country, since they came to Canada.

We have a fight planned for the 28th of April for Drayton Valley. Our boys will be matched for this fight. When we met in Edmonton S. & L. on the 1st of April for a card with Scotty McGraw. So watch the paper for the matched fights in the future.

Gordon Cross.

Ice Carnival Queen

In the centre front is the newly crowned Ice Carnival Queen, Miss Joanne Wilson, sponsored by Pipe-Line Service and Supply Companies, on her left is Queen Candidate Erika Mallen, and on Queen Joanne's left is Queen Candidate Miss Christi Parenteau.

In the rear (left to right) is Constable Don Mumford, Corporal Skip Wilson and Constable John Jensen.

Drayton Valley's Seventh Annual Ice Carnival came to an end with the crowning of the Queen Joanne. It is said to be a very successful show, following six years of excellent shows previously. Each year the Drayton Valley Figure Skating Club gets more and more of themselves and their performance shows marked improvement each year over the preceding year. This year was no exception.

The colorful costumes the elaborately planned and executed music held the interest of all those in attendance at both the afternoon and the evening shows. Drayton Valley's band added much to the occasion also for the evening show.

Two youngsters from Edmonton Miss Sandy St. Lawrence and Archie Zarich showed that they had the makings of champion ship candidates in their very fine performances.

At the close of the evening program, just after the crowning of the Queen, the Lucky Draw was made and Mr. Jerry Hemmery was the winner of the grand prize. Further details and pictures of the Ice Carnival are given in other sections of this issue.

Lions Receive Attendance Awards

The next meeting of the Drayton Valley Hummingbirds will be held at 8 p.m. on April 4th. Please note change of date, due to the Ice Carnival this Saturday.

Linda Turner and Judy Wilson will be hostesses.

MISS LAURA HALPIN

New to Drayton Valley but not to the dress shop trade is the manager of Dolly's Style Shoppe. Laura Halpin who but recently took over her new duties managing the ladies wear shop, formerly owned and operated by Mrs. Dolly Glack (formerly Miss Shulby). Mrs. Glack disposed of her interest after her husband, who is employed with the Royal Bank was transferred from the Drayton Valley Branch to an Edmonton branch.

Miss Halpin came to Drayton Valley from Peace River where she managed a dress shop. Before going to Peace River she was in Red Deer for a number of years. She was born in Lacombe where her father, Charles B. Halpin started the paper, after he had disposed of his interest in what is now one of Alberta's leading dailies, the started in 1899. He started the paper in 1908 and moved to Lacombe where he worked the Lacombe Chapter, later selling out to Mr. Ford, the father of the Ford brothers, the present owners of the Globe.

Halpin raised ten children on the money he made in a newspaper office. No mean feat! Two of the male Halpins are still in the newspaper field. One is still working on the Alberta and the other is with a paper in Swift Current, Saskatchewan.

Miss Halpin finished high school in Calgary. She spent five years with the air force as a clerk, during the war. After the war she was a dental nurse in Calgary for some years following which she went into ladies wear first in Red Deer, and then Peace River, before coming to Drayton Valley.

She likes to bowl. Other of her hobbies include knitting, and building and copper tooling. In Calgary she was a member of the Anglican Church. She says that her paternal grandfather came to Huron (American) College in London, Ontario for many years.

C. of C. Seminar

This coming Friday will see the first of what may be a series of seminars to be held in Drayton Valley under the auspices of the Chamber of Commerce. These seminars are held under the joint sponsorship of the Provincial Chamber of Commerce, the Canadian Chamber of Commerce and the local Chamber of Commerce.

Objective of the seminar is to promote good leadership and to promote a good organization for Chambers of Commerce and Boards of Trade. They are conferences which are open to all officers, directors, committee chairmen and members of Chambers of Commerce.

The procedure as outlined will be to examine good leadership and good organization, first by discussing their own responsibility as community leaders; second, by studying methods of developing better Chambers of Commerce, through which to make improved leadership more effective and thirdly, by the exchange of ideas and know-how.

The seminar will be held on Friday the 13th of April starting at 8 a.m. in Pan American.

International Counsellor Paul Guenette is seen congratulating members of the Drayton Valley Lions Club who had perfect attendance during the past year. From the right they are: Lion Keith Peterson, Lion Don McKenzie, Lion Ben Dornan, Lion Dan LaFayette, Lion Henry Rensfield, Lion John Androschuk, Lion President Leon Stevenson, Lion Secretary Fr. Servus, Lion Fred Kramersmaker and (hidden behind Lion Paul Guenette) Lion Al. Armstrong. One of these members (Don McKenzie) also was given the new and coveted Master Key Award.

Ice Skating

Drayton Valley skaters, young and older, will have an unexpected bonus treat till the end of this month.

Council of the Town of Drayton Valley has announced that ice skating will be permitted in the town until the end of this month and that skating will be possible for different size groups, on the nights that are now being worked out.

Admission fees for the skating, your chance... groups and more to get those very rusty skates out and limber up a little on the ice.

Dear Sir:

I have a clipping I'd like in the Advertiser if possible. Our teenagers are a problem in this town by going steady and having to marry at an early age. Would you please put this on the next paper. From a group of worried mothers who'd like to see something done about it.

Q.—What do you think of teenagers going steady?

A.—If I really told you what I think, I'm sure the new editor would not publish my answer. Anyway, I think the few folks who do go steady don't deserve much space in this paper. It takes a lot of stupidity for two people of teen age to go steady, and not many kids are that stupid. Very few can work their way down that low. Among groups of intelligent teenagers the number of steady goers is very low. Only in the lower brackets of IQ's do you find large numbers going steady. It is the lower IQ bracket too. 'Going steady' for teenagers is just a propaganda dilly for a few who show advanced stages of pre-pubescent fancy. There will always be a few miscreants who do not know that the best way to try and act like adults is to try and imitate adults. I hope nobody reading this will think: 'That's just an old geezer's proof talking who doesn't know anything about modern youth.'

If you take a look at two young kids who are going steady, you will soon see the reason why neither has enough personality to do more than cling desperately to the one poor stultified handicapped square.

WORLD GOVERNMENT

Sir—

Thinking people the world over are beginning to realize that some form of world government is needed to put an end to the state of international anarchy which has set the stage for the suicide of the human race. These same people have discovered that the authority of such government must be vested in the League of Nations and of the United Nations to secure world peace has demonstrated clearly that representatives of national governments do not command the confidence and respect of the human race required to cope with the enforcement of international law. A world parliament elected directly by universal suffrage in equal electoral districts, could legislate with confidence and execute with authority through a responsible cabinet assisted by a permanent civil service. Known as the world government would make the election campaign and the voting effective and unimpaired.

Under the protection of such a world parliament, nations and individuals would no longer live under the shadow of fear. Peaceful co-existence would become a true reality. Nations would no longer arm themselves and have freedom to carry out political and military experiments designed to improve human life. Money no spent on armaments could be used in the improvement of education and in peaceful pursuits of science. The individual released from fear, could unfold in true dignity and pursue the value in life. The human race could look forward to unprecedented prosperity in ages to come.

ANTI - WORLD GOVERNMENT

Sir—

On January 18th there appeared a letter to your column on World Government written by N. Krivak of Imperial. He says: "Thinking people the world over are beginning to realize that some form of World Government is needed to put an end to the state of international anarchy which has set the stage for the suicide of the human race. These same people have discovered that the authority of such government must be vested in the League of Nations and of the United Nations to secure world peace has demonstrated clearly that representatives of national governments do not command the confidence and respect of the human race required to cope with the enforcement of international law. A world parliament elected directly by universal suffrage in equal electoral districts, could legislate with confidence and execute with authority through a responsible cabinet assisted by a permanent civil service. Known as the world government would make the election campaign and the voting effective and unimpaired."

Why has the League of Nations and the United Nations been a failure? Simply because they are opposed to God's law. The Lord says: "A house divided against itself cannot stand." Be ye not unequally yoked together with unbelievers." What part had he that believed with an infidel? etc. Have no fellowship with the unfruitful works of darkness but rather report them. "Wherefore, come out from among them and be ye separate, saith the Lord."

We, and all the other countries who claim to be "Christian", should never have been tied up under the shadow of fear. Peaceful co-existence would become a true reality. Nations would no longer arm themselves and have freedom to carry out political and military experiments designed to improve human life. Money no spent on armaments could be used in the improvement of education and in peaceful pursuits of science. The individual released from fear, could unfold in true dignity and pursue the value in life. The human race could look forward to unprecedented prosperity in ages to come.

ON CALL

All finished for the day, or is he? The gas company agent serving your community is on call 24 hours a day, seven days a week. Most customer service calls can be handled during the normal working day—but when emergencies occur, when service after hours is needed—your gas company's representative will be there! We feel the service you get with gas, as much as anything else, makes it by far, your best household bargain!

NICK KLUS is your Morinville, Drayton Valley serving the community of Drayton Valley and South Creek.

NORTHWESTERN UTILITIES, LIMITED
This new symbol identifies Your Gas Company—modern service, backed by almost 40 years' experience, serving Albertans

This, instead of delivering us from a state of international anarchy, would lead us into a worse state of confusion, horror and suffering. Can you imagine what a world government composed of a majority of all the men mentioned above with an international police force and an international court of the same calibre, would do with anyone who opposed them?

others who are fearful of those things that are coming on the earth that are so huge and so terrible, for the suicide of the human race, and we will not be annihilated, because that is not God's plan. "Bridegrooms shall be cut off, but those that wait upon the Lord, they shall inherit the earth."

Our hope for survival is not in a man-made world government but in repentance, humility, and obedience to our God and His word.

Very truly yours,
C. Earl Mason.

Morinville, Lamont & Redwater To Host Search For Talent Finals

Morinville, Lamont and Redwater will be selected as the sites for the A.C.T.-CFRN Search for Talent regional semi-finals and final. George Harsanyi, Director of Search for Talent for the Associated Canadian Travellers announced today. Mr. Harsanyi stated that the regular weekly shows are rapidly drawing to a close and that the season's activities will reach a climax at a final scheduled for Redwater on Saturday, April 14. The show at Whitcomb on March 24 will be the last of a series of twenty talent shows held this season. Western regional semi-final will be held at the Morinville Recreation Centre March 21, under the auspices of the Morinville Lions Club. Winners from Stony Plain, Drayton Valley, New Sarepta, Leduc, Camrose, Vegreville, Sherwood, Thorhild, Boyle, Wetlock and Whitecourt will compete at Morinville. One week later the eastern regional semi-final will be held at Lamont with winners from Stony Plain, Morinville, Brudenell, Wainwright, Lac la Poudre, Tumbler Bay, Glenora and Redwater in competition. Three winners from each semi-final will appear on the final scheduled for Redwater on April 14. Both the Lamont and Redwater shows are also under the auspices of the Lions Clubs in those communities.

Tips on Touring

Here's a pleasant "It's a man's" Let's say you're going to have dinner tonight with friends. And let's say you have a drink or two before dinner, then enjoy a leisurely meal and drive home about 11:30 on a good.

But what's the change the program. Follow dinner with three or four drinks during the evening. Then drive home. Now the "It's a man's" is tricky. Chances are you'll make it, but there's also real chance of trouble. This is not good. Responsible drivers know about the numbers that prove why.

From The Legislature

By C. R. Wood, M.L.A.

Monday afternoon and evening of the seventh week in the Legislature estimates for the Department of Public Works, Public Works, Public Welfare, Treasury and Vocational Training were approved with small amendments for the year April 1, 1962 to March 31, 1963, amounting to \$354,920,420.

M. MacCagnan (Lib. Lac La Riche) moved that the estimate for the salary of the Hon. J. D. Ross Minister of Public Health be reduced to \$1.00. He stated that early in March, he had asked 24 questions regarding matters in the Department of Health and had received no answers. Premier Manning said that those answers required considerable searching of files and correspondence in order to supply all the information asked. On a recurring vote the motion was defeated and the Legislature proceeded to vote \$15,584,100, 10 for the work of the Department of Public Health.

During the study of these estimates, the Minister of Health gave an interesting account of the work of the Hospitalization plan for which \$1,351,500.00 more is to be used this coming year. Auxiliary hospitals are being built as well as continuing the program for active treatment hospitals, he said. In answer to a question, he said that 67 flights of Ambulance Services to the Northland had been carried out by the Department of Health.

When the estimates for the Department of Public Works were up for reply, R. Watkins (P.C. Calgary-Glenora) said he would not move the reduction of the vote for the Minister's salary to \$1.00 but he would move a complaint that on March 1st he had submitted an Order for a return information on costs of various buildings and maintenance etc., without receiving the answer. An Education Building and a new Library will be built on the University Campus and the Institute of Textile cutting \$9,704,000.00 will be built in Edmonton.

On Tuesday, Bill 30 permitting Urban counties to be formed, was brought back for second reading and Hon. A. J. Hooke summarized the financial part of the bill presented to the Agricultural Committee and reported on some suggested amendments to the bill. Provisions will be made for a plebiscite in the municipalities in urban county on a four year trial basis, with a mandatory vote at the end of four years to decide whether to continue it or not. Provision will also be made for a somewhat increased number of members on the Council. These will meet most of the objections raised by those opposing incorporation at the Hastydale, Mr. Hooke said. The County system has been very successful in rural areas and it was thought that the larger centres should take a look at their form of government and experience has shown that County Councils give education first place, he said.

The debate on the resolution dealing with public ownership of Utilities continued on Tuesday, Private Members' Day.

On Wednesday afternoon the Members settled down attending to the large number of bills facing them. Second reading was given to 58 of them and clause by clause study made of 277 An Act to amend the Liquor Control Act makes it an offence for a minor to obtain or attempt to obtain liquor.

A new Act provides for setting up a committee of not more than four members to plan and coordinate activities with the Federal Government in celebrating Canada's Centennial in 1967.

Amendments to the Wildlife Game Insurance Act reduces the premium from five to three percent to coverage requested of \$15 per acre. This plan covers crop damage by wildlife ranging from ducks to bears. To build up the fund, one dollar was added to hunting licenses last year, and only nine policies were taken out in 1961 and two claims resulted.

Thursday afternoon in answer

to a question, Hon. K. D. Joseph announced that 1,500 persons in Alberta receiving old age assistance, blind and disabled persons' pensions will have the amount of their pensions increased to line with the Federal government's declaration. The increase will be paid in April, after the budget is given Royal Assent, and will be retrospective to February 1st, he said.

Speaking on the resolution providing the actions of the Federal government in announcing measures requiring contributions from the Provincial governments without consulting them, Hon. N. E. Wilkerson, Minister of Lands and Forests told of forestry programs where the Federal Government announced they were paying half of costs and were not actually doing so. The only portion of which they pay half is on the winter works program, he said. The Federal programs depend upon the Province paying large amounts about which the Department has never heard until after the Federal Government has announced the grandiose plans they are going to do. The resolution was carried 51 to 1, the one opposing being Mr. Watkins.

The debate continued on the resolution endorsing the program of health service development for the care of the people of Alberta and asking unconditional grants from the Government of Canada to make it possible for further extension of the necessary health services as determined by the Province. The vote was called and the motion was carried 47 to 3.

A resolution was moved by A. Fimrite (P.C. Swift River) and seconded by M. Montgomery (P.C. Peace River) urging the Federal Government to return to the Province that portion of Wood Buffalo Park lying inside the Alberta borders. This park consisting of 1700 square miles lying within Alberta and the nesting place of the whooping crane and the home of the Buffalo. It should have been set aside as a park, stated Mr. Fimrite and then orderly development and then orderly development could have taken place. In order to properly develop this area, ownership and control should be returned to the Province he said. Mr. Fimrite also told of the rich mineral deposits within the area. Mr. Montgomery adjourned the debate.

On Friday, amendments to the Legislative Assembly Act, proposed by the Redistribution Committee were given first reading. It will give the Constituency of Stony Plain the added area including the Brazeau Dam and Power site, since they are accessible from Lodgepole.

Hon. A. R. Patrick, Provincial Secretary answered a series of questions asked by Mr. Galtier about Tourist advertising. He produced samples of the beautiful color posters, road maps, folders, booklets and copies of advertisements being sent to all of the United States and other countries where 1,018,185 items had been distributed in 1961.

Hon. R. Patterson, Minister of Telephones announced that a Monday April 2nd microcopy Canadian National telecommunications set up will be opened at Hay River and the North-west Territories will have modern telephone communication with the world for the first time.

Article 7 FOR NATURAL EXPRESSIONS, SNAP YOUNGSTERS AT PLAY

Would you like the bright, attractive photos of the youngsters for your family album or wallet? Try to avoid the "wooden Indian" expression that has been typical of a child getting the picture taken. Instead, catch the youngster while he's busy. Give him something to do, or better still, catch him at his own play. Maybe it's taking a bath, frolicking with a puppy—or "repairing" a model train.

Showing outside? It makes no difference. Most cameras with the aid of a simple flash attachment can provide many good photos inside the house.

If the children are indoors, in fact, it's a good time to add to your own collection. There's no need to mess them in their best clothes, comb their hair, stand them against a wall, and tell them to stare into the camera. After all, hair combs, so why mess them that way? Save this for formal portraits.

With all the natural photos of children around the house, you have some excellent photographic opportunities. Let them sit on the rug, playing with their toys, reading, coloring books, working at tables.

Then, when you see a cute expression or action, snap a picture. You'll have so much fun taking the snaps as you will viewing them later.

By the way, watch your "angle." Do you shoot down on the child, up or directly at him? Shooting down falls to put "up" into the picture. From a height, a child is minimized rather than made important. Imagine the top of his head—except in rare cases—tall's little about a youngster.

To make your shot more interesting, then, get down to the child's level. You'll be surprised how far the world looks through his eyes. And your camera will capture him in his element—with a typical action and natural expression.

If the youngster becomes too aware that you're taking photos, he'll sit alone for a while. Wander off and pretend you're interested in something else. The child will soon return to his play and forget your presence. Then you can move back to the scene and resume snapping.

You can also make pictures-taking a game. Children of all ages love games of any type. You'll find it's easy to enlist their co-operation.

Just one final tip: keep the background simple. A cluttered background may look alright at the moment, but in the finished print, it will stand out and ruin the picture.

Natural photos are easy to take. They make a healthy addition to the family album, as well as well as wonderful snaps to share with your friends.

PUBLIC NOTICE

By the Board of Trustees of The Lodgepole School District No. 5075 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the Lodgepole School District No. 5075, of the Province of Alberta, that the sum of fifteen thousand dollars should be borrowed on the security of said District by the issue of Debentures repayable to the bearer in ten consecutive annual instalments with interest at the rate of not more than six per centum per annum for the following purposes, namely:

To provide a portable classroom; including one boys' washroom, one Girls' Washroom, one cloakroom.
To install sewer service, water lines, and fuel lines to same.
To furnish same with desks and cupboards.

THEREFORE notice is hereby given by the Board of the said School District that unless a poll of the proprietary electors of the said School District for and against the said debenture loan is demanded as provided by The School Act, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Munroe MacLeod
Official Trustee

Dated at Lodgepole
This 2nd day of April, 1962.

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DISTRICT

1. A poll of the proprietary electors for and against the by-law may be demanded within fifteen days after the date of the posting or of the last publication of this notice, by a demand in writing signed:
 - (a) in a district other than a city district, by fifty proprietary electors or by five per cent of the proprietary electors, whichever is the lesser number;
 - (b) in a city district, by one hundred proprietary electors, or by five per cent of the proprietary electors, whichever is the lesser number.
2. Every demand for a poll should be delivered to the secretary of the district, or, in his absence, to the chairman of the board of trustees. A certified copy of the demand should be forthwith forwarded to the Local Authorities Board of Alberta, at Edmonton.
3. Proprietary elector means any elector, who is liable to assessment and taxation for school purposes in respect of property situated in the district.

REGARDING THE DEBENTURE ISSUE - LODGEPOLE SCHOOL DISTRICT NO. 5075.

Dear Ratepayers:

The proposed new classroom at Lodgepole will be for the use of the primary children only. It will contain boys and girls wash rooms and a cloakroom. Debentures must be sold to cover the cost, but these will be paid for initially by the Provincial Government. When paid for, the school will belong to the Lodgepole School District.

I shall appreciate your ratification of this procedure.

Signed: Munroe MacLeod
Official Trustee

SPEECH WINNERS

Mrs. Betty Paproth, Speech Contestant from the Banquet Toastmistress Club, Edmonton.

According to the judges' decision final was Mrs. L. H. Hiltner, of the Canadian Seismic Club, Edmonton.

TOASTMISTRESS SPRING CONFERENCE

At the business session of Toastmistress spring conference held here on Saturday morning it was proposed that council seven be divided into three parts. Council seven includes clubs situated in Alberta and Saskatchewan and difficulties have arisen over travelling distances involved in attending conferences. Due to the increasing popularity of Toastmistress Clubs, it seems quite possible that a three way split is advisable. A committee is being set up to consider this proposal and will report at the fall conference.

At a luncheon following the business session and held in the Cardium Room presidents of the eleven clubs reported.

Mrs. E. T. Brigham was Guest speaker, and told members of educational literature available to them.

Workshops held in the school following the luncheon demonstrated various aspects of Toastmistress activities.

At a Sunday morning brunch held in the Cardium Room of the Drayton Valley Hotel new by elected officers of council seven executive were installed by Mrs. Brigham. They are Mrs. P. Conditt, Mrs. Muriel Walther, Mrs. R. E. Barry, Mrs. A. R. Scrande, Mrs. W. L. McElair all of Calgary and Mrs. R. J. Derrin, of Edmonton.

During an evaluation period the Pembina Club, Drayton Valley was congratulated on its outstanding hospitality, special prize was given for best toast service provided between the hotel and the school, where business sessions and workshops were held, and for the handwashing service provided by local hairdressers at the hotel. Special thanks were given to the staff of the hotel, the town of Drayton Valley and all business men who helped to make the conference such a success. Special mention was also made of the splendid co-operation of the press and T. V.

HIGHLIGHT of the three day spring conference held here by Toastmistress club of council seven was the banquet and speech contest held Saturday night in the Cardium Room. Mrs. Alice Parent, chairman of council seven presided over the banquet. Mayor Alden Meier gave an address of welcome to over 150 guests. Also seated at the head table were Mrs. A. Meier, co-ordinator of the conference, Mrs. A. V. Wright and Mrs. Wright, Mrs. George Hilde, Mrs. Ralph Johnson, I. T. C. Director Muriel Brigham, Mrs. Conditt, Mrs. Norman Spauld and Mrs. Florence Hiron.

A toast to the men from Dorothy Spauld was replied to by Rev. A. R. Wright.

Mrs. H. S. Hestley of the Calmar Club, Calgary was Toastmistress during the speech contest.

Mrs. S. R. Paproth of Banquet Club, Edmonton was the trophy with most speeches. "Ballroom Queen" - Runaway was Mrs. L. C. Hunter of the Canadian Seismic Club.

Other contestants were Mrs. M. P. Bishop, Mrs. Muriel Walther, Mrs. D. Thompson, all of Calgary, Miss Jean McKeane of Police A.S. Mrs. H. Halpern.

of Regina and Mrs. H. Macdonald of the Pembina Club, Drayton Valley. Judges were Mrs. Corneille Woods, Dr. H. Hiltner, Mr. P. H. Ballman, Mr. Don Brimble, and Mr. George Hiltner.

CANADIAN RED CROSS SOCIETY TO FIGHT VICTIMS

Within two hours after word reached Provincial Red Cross Headquarters in Calgary headquarters of a fire disaster in Brandon, Alta. Red Cross relief supplies were on their way to the stricken victims, two adults and six children. At the scene of the fire, which completely destroyed the family home, Mrs. E. Trevor Morgan, acting Disaster Chairman for the Southern Red Cross Branch, purchased food from the local shops to supply the families needs.

Supplies sent by transport from Calgary included double and single beds, a roll-away cot and crib, all with mattresses and bedding, a layette and bath kit.
